Celebration of life

Every life tells a story...

At Holiday Inn Southampton, we take great pride in providing a sensitive, discreet and professional approach in the arrangements of a reception following a funeral.

Our beautiful Hampshire suite can accommodate up to 100 guests. Alternatively, for a more intimate gathering, we have function rooms which are well suited for smaller groups from 20 to 50 guests. We work closely with the family and funeral directors to arrange the day according to your requirements.

Our central location, along with ample complimentary parking, makes the hotel accessible for you and your guests. We can also discuss accommodation options should your guests want to stay the night.

We have created three packages that you may wish to consider. However, if you have your own ideas that you would like to discuss with us, please be assured we can design a bespoke package to accommodate your requirements.
