### Room Hire Costs

To ensure that the costs of your reception are kept to the absolute minimum, we've simplified the room hire charges.

Room hire is available from 10:00am to 5:00pm as follows:

Room Hire (up to 70 guests)	£250.00
Room Hire (71 – 100 guests)	£325.00
Room Hire (101 – 200 guests)	£400.00

In addition to the daily room hire charge, we offer a late opening option after 5:00pm. The extra charge for this is £50.00 per hour.

Please contact us to discuss your requirements in more detail.

### Bar Facility

We are happy to offer a bar facility for your function, and all our function suites have a private bar which is solely for the use of your guests.

For functions of 60 guests or more we are happy to provide a staffed bar facility without charge. For functions of less than 60 guests a fee of £50.00 will be payable.

Should you wish to provide a formal drinks reception or set up a bar account for welcome drinks we are happy to discuss your requirements.
