Our experienced team have an understanding and sensitive approach to such matters, leaving with you safe in the knowledge that nothing is too much to ask.

Through the following pages you will be able to see examples of the service we offer at The Lawns.

All menus and options can be tailored to your specific requirements and needs.

Our Setting

Here at The Lawns we have two options for you to choose from when it comes to the setting.

For larger groups our function room is the perfect area for your friends, family and loved ones to gather. With a separate bar you will have all the privacy you require.

For a closer feeling our restaurant hosts the perfect setting for such an occasion. With access to the main bar and plenty of seating to suit medium to larger parties.

One of our team will be more than happy to show you around both areas and explain all layouts that we use for each.

Please remember that all bookings for the function room and restaurant are subject to availability. We will always try our utmost to offer an alternative if your desired area is not available on the day.
