

## *Funeral Reception*

*Highfield Hall, Chester Road. B5125, Northop, CH7 6AZ*

We understand how difficult it is losing a loved one and we do our very best to support you during a difficult time.

We will guide you through the arrangements required & discuss menu options, room layout and style and will organize any individual touches that you would like to add, anything from personalised background music to a memory table or a favourite colour scheme.

We offer a choice of rooms for your exclusive use for a period of up to 4 hours along with use of our gardens. Each room can be arranged to suit your exact requirements from smaller groups of up to 20, to larger gatherings of up to 150, and in a style to reflect your wishes.

We can provide a location to meet prior to a funeral service to enable mourners to travel together and leave cars in our free car park.

If there will be a main service followed by a more intimate burial or cremation, guests not attending the second service are welcome to come to us while they wait for the main family to return

A range of food options are available and can be adapted to include your family favorites or to help reflect the tastes of your loved one.

The Bar will be available throughout.

## Highfield Hall Funeral Reception Menu Options

We appreciate how hard it is to estimate numbers who may return following a funeral service and that it will be difficult to predict the amount of food required.

We also understand you will want to provide for everybody who has joined you to pay their respects.

We are able to provide additional food if numbers returning exceed your approximation. All we ask is that you advise us in advance there may be additional guests and if extra arrive we will confirm with you, and we will take care of the rest.

Food allergies and special requests can also be provided for on the day.
