

Funeral Gatherings and Memorial Services

Here at the Holiday Inn Aylesbury we take care of all the details on this sad occasion. You can be assured that our experienced staff will make the arrangements for your loved ones funeral reception with care and sensitivity.

Whether you require an intimate gathering with afternoon tea or an event up to 200 guests we have a choice of private rooms and adaptable menu options to accommodate the occasion.

We will welcome your guests to the hotel if you are unable to arrive first and take care of the items your guests wish to leave in a cloakroom. Provide tables to display guests message or flowers and projector and screen to display photos of your loved one. We can arrange a function room for immediate family gathering before the service and arrange dinners for close family or guests that have travelled a long way to be with you.

Our academy banqueting suites are ideal for accommodating between 20 and 100 guests. For larger bookings over 100 guests our restaurant is more ideally suited.
