

AT MILL GREEN

We appreciate these occasions are an emotional time and we are very sensitive to your needs.

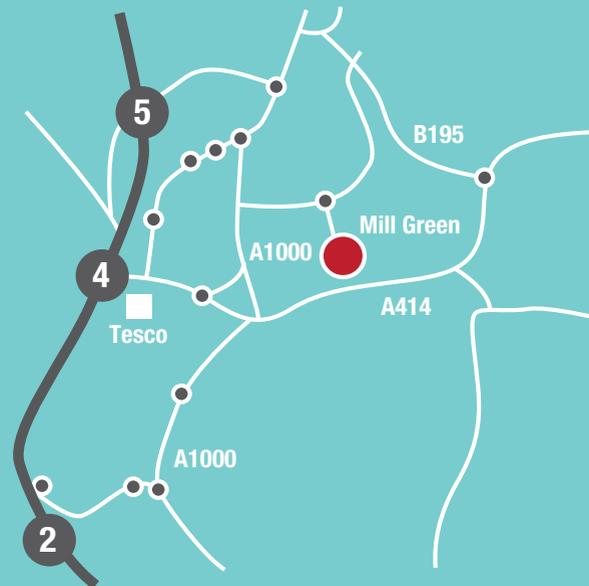

We feel that it is very important that you spend the time with your family and friends and don't have to worry about arranging and serving refreshments. This is a time for you to reflect and celebrate the life of a loved one.

We have a selection of menus that are suitable for this occasion, although if you are looking for something that little bit more we can arrange to suite any of your requirements.

All buffets and home made cakes are freshly prepared on the day and our great function room sets the right ambiance for a peaceful gathering to celebrate the life of your loved one.
